The AAMAS conference series was initiated in 2002, with the merger of three highly respected individual conferences, and has now reached its tenth anniversary. The aim of the joint conference is to provide a single, high-profile, internationally renowned forum for research in the theory and practice of autonomous agents and multiagent systems. The conference is sponsored by the International Foundation for Autonomous Agents and Multiagent Systems (IFAAMAS).

AAMAS 2011 will take place at the Taipei International Convention Center (TICC) in Taipei, Taiwan on May 2-6 2011.
